MARS GAMING

MM4 MOUSE

Designed for Pro-gamers, MM4 mouse includes state-of-the-art technology. Its professional extreme Avago laser gaming sensor gets selectable polling rate, up to 1000Hz, in order to achieve ultimate movement precision.

Besides, its high speed On-The-Fly up to 16400DPI level switch is fully programmable, improving even further control and performance.

MM4 also includes an awesome UI software*, for advanced configuration totally customizable. Its 64kb memory allows to save up to 5 user profiles and its 19 mechanical switches configuration.

MM4 highlights for its outstanding Mars Gamign design and awesome customizable lighting effects, with 6 different colors.

*Software compatible with Windows XP/Vista/ 7/ 8
